

Places are limited to 100 for the CO₂Chem Launch, therefore to ensure we have a balanced representation of the network, we are asking people to submit an application to take part. CO₂Chem will cover the cost of the event. You will be responsible for travel and accommodation costs

Name and Contact details

Your background

Areas of Expertise

Which areas of CO₂ utilization are you interested in?

What do you want to achieve by attending the Network Launch?

Please return to: Katy Armstrong, CO₂Chem Network Manager; by Friday 16th July 2010.
